## BG Early Career Scientists

Pierre-Antoine  
Dessandier  
(CAGE, UIT)  
ECS  
representative

Olivia Trani  
(EGU communication  
officer) will help with  
the blog editing and  
all other issues

### Research Interests:

- Isotope geochemistry, novel proxy development
- Marine & aquatic biogeochemistry
- Climate change (long-term vs. rapid events)
- Carbon cycle & feedbacks (past, present, future)

### Recent Career and Main Projects:

- Since 2018 Postdoc, GFZ German Research Centre for Geosciences, Potsdam
- 2015–2018 PhD in Marine Biogeochemistry, GEOMAR Helmholtz Centre for Ocean Research Kiel and Kiel University (Marie Skłodowska-Curie fellowship in BASE-LiNE Earth ITN)
- 2014–2015 Internship Award in Earth System Science & Researcher, Academia Sinica, Taiwan

Linking palaeohydrology of the Dead Sea and rapid climatic events during the Holocene using geochemical fingerprints

Brachiopods as geochemical archives of the Phanerozoic ocean

Evaluating seasonal trends in primary production in subtropical reservoirs and South China Sea using triple oxygen isotopes

## BG and EGU Early Career Scientists Representative

Hana Jurikova  
GFZ German Research  
Centre for Geosciences,  
Potsdam

Olivia Trani  
(new EGU  
communication  
officer) will help with  
the blog editing and  
all other issues

Raffaele Albano  
Incoming ECS union-  
representative

## EGU Early Career Scientist Policy Competition

- Join a small number of high-level policymakers, industry leaders & selected EGU scientists on 17 October at an event in Brussels
- Aims to provide geoscientific input into the 5 EU Missions:  
Adapting to climate change; cancer; healthy oceans, coastal & inland waters; climate-neutral and smart cities; soil health and food
- Travel (within Europe) & accommodation included
- Open until May 15 2019
- More info: <https://egu.eu/0367F9/>

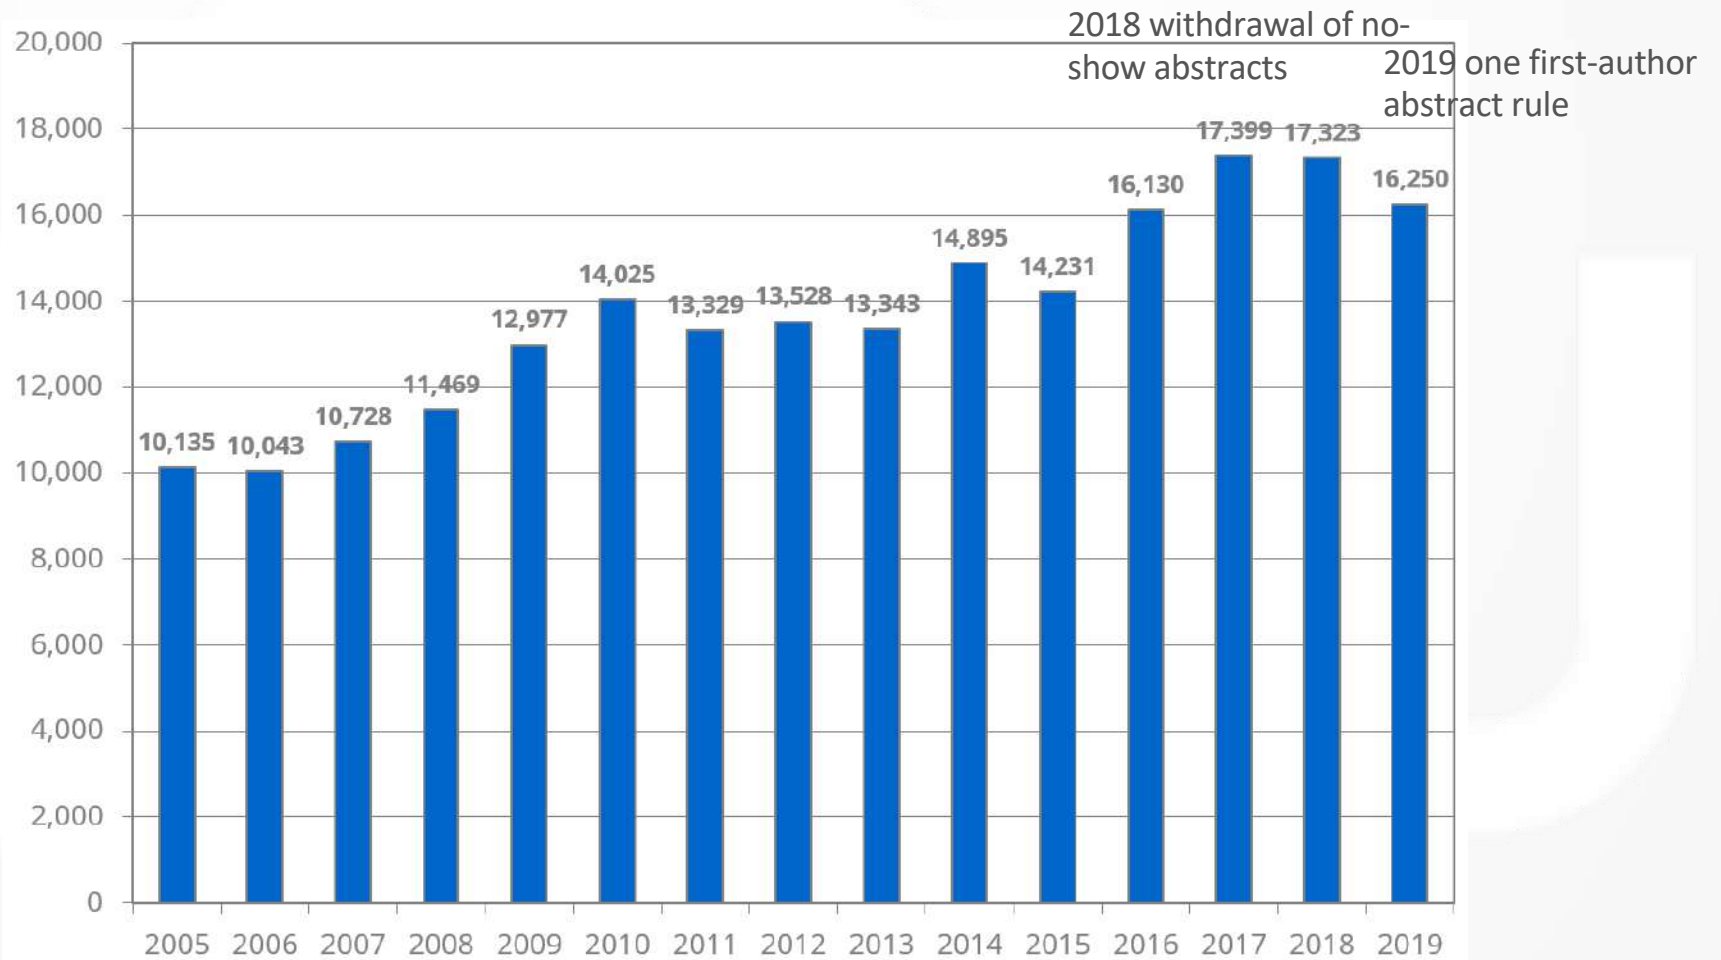

EGU /EFG Dinner Debate, 2018: (Anita Stein)

## GA 2019 statistics (as of 5 April 2019, 16:48)

- 16,250 abstracts in programme | -6.2% relative to 2018
- (16,922 active abstracts 29 Jan 2019)
- 5,531 orals | 9,432 posters | 1,287 PICOs | ratio 34 / 58 / 8
- 14,283 registrations in advance | +12.17%
- 683 unique scientific sessions | 87 short courses | 338 side events\* (total 1108)
- 508 out of 683 scientific sessions are co-organized (74.4%), thereof 24 ITS
- Original sessions 1471; 1108 still active, 363 withdrawn

\*Side events include the programme groups MAL, PCN, FAM, TSM, SEV, PC, PPAA

## Abstracts in programme 2005 – 2019

## Presentation ratio 2005 – 2019

## Participation 2005 – 2018

## GA2019 daily schedule

Block	Time	Activity
TB1	08:30 – 10:15	Posters, orals, PICOs
Break	10:15 – 10:45	
TB2	10:45 – 12:30	Posters, orals, PICOs
Lunch break	12:30 – 14:00	
TB3	14:00 – 15:45	Posters, orals, PICOs
Break	15:45 – 16:15	
TB4	16:15 – 18:00	Posters, orals, PICOs
TB5 - Break	18:00 – 19:00	Networking, extra poster viewing, exhibition, activities in the foyers
TB6	19:00 – 20:00	Townhalls, some short courses, some medal lectures

## GA2019 Networking Time 18:00 – 19:00

- Meet colleagues!
- Extra poster viewing
- Visit exhibition
- Gather community pre-evening medal lectures/short courses/townhalls
- Artists-in-residence Foyer D
- Drink spots throughout the building (beer, non-alc beer, soft drinks)
- ‘Meet the Talents’ TU and TH, Green gallery
- Geoscience Games Night, WE, Foyer D
- Receptions at EGU booth, TU, WE and TH (diversity, journals)

## GA2019 Photo Policy

- It is prohibited to take photos or videos of scientific material shown in any oral, PICO, or poster presentations unless the presenter authorizes it. Presenters are encouraged to inform the audience if they welcome photos or sharing on social media (images at [https://egu2019.eu/about\\_and\\_support/rules\\_of\\_conduct.html](https://egu2019.eu/about_and_support/rules_of_conduct.html))
- Extra stickers in poster halls

## An accessible General Assembly

- Free child care, kids fun area
- Breastfeeding room (yellow level)
- Four quiet rooms (brown level)
- Multi-faith prayer rooms (yellow level)
- The ACV is fully accessible by wheelchair
- Poster halls have chairs available for people to sit down if needed
- Steps to help presenters hang up their posters
- Each PICO spot has a lower screen for increased accessibility
- In lecture hall, please use the screen's cursor where possible
- Please repeat questions as not everyone will have heard the question
- What can we do better? Please e-mail [programme.committee@egu.eu](mailto:programme.committee@egu.eu)

<https://blogs.egu.eu/geolog/2019/03/22/accessibility-at-the-general-assembly-2019/>

## GA2019 Person of trust

- All participants at EGU's General Assembly are expected to follow the rules of conduct, [https://egu2019.eu/about\\_and\\_support/rules\\_of\\_conduct.html](https://egu2019.eu/about_and_support/rules_of_conduct.html)
- Should you observe violations against these rules please contact **the designated trusted person** at the EGU Information (during the General Assembly) and/or send an email to [conduct@egu.eu](mailto:conduct@egu.eu).
- Violations to the rules of conduct will be taken seriously and appropriate actions will be taken where necessary.

## A greener General Assembly?

The EGU and Copernicus are working towards minimising the GA's carbon footprint. We need everyone's help!

- Come by train when possible. SBB offers a discount for GA participants
- Offset CO2 emissions from your travel. On-site terminal in entrance hall
- EGU Today online only
- No programme book
- Carpeting in poster halls X only (required for noise reduction)
- Water fountains (no single use bottles) – bring your own water bottle
- Bring your own coffee cup

Townhall meeting 'The carbon footprint of EGU's General Assembly',  
Thursday, 19:00 – 20:00, room -2.47

<https://blogs.egu.eu/geolog/2019/03/05/make-your-egu-2019-experience-more-environmentally-friendly/>

- Job presentations
- Interview rooms
- Open science clinique
- Job advert and cv posting pillar

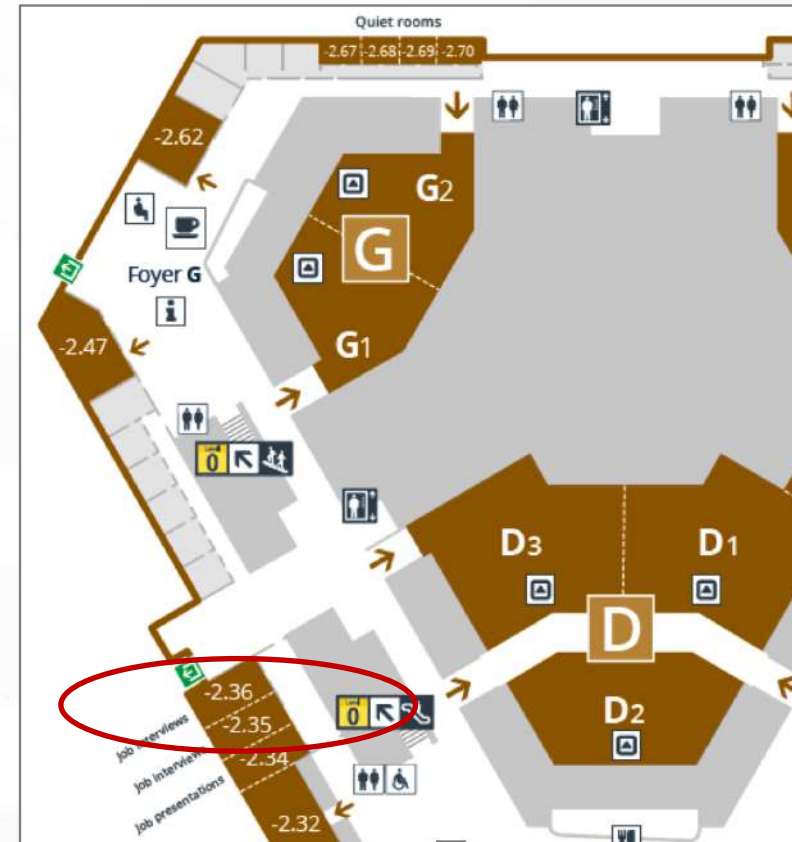

**Meet the Talents** program#: JC1

**Job Seekers: Present Yourself**

Prepare a <2 minutes pitch for your future employer:  
 what are **YOUR** interests, skills and talents?  
 why do **THEY** want **YOU**?

**Tue 9 AND Thu 11 April, between 18:00 - 19:00 the stage is yours!**

\*no subscription needed, just show up! where: EXHIBITION SPOT 1ST FLOOR

## GA2019 Artists-in-residence

- Visit our artists-in-residence in Foyer D:
  - Morgane Merlin, illustrator and environmental science PhD student.
  - Giorgio Skretis, sculptor
- There will be art for sale
- Short courses by artists-in-residence:
  - SC2.13 'Get creative! Sketching and drawing (your) science'
  - SC2.14 'Sculpt your research'

## GA2019 – some further selected items

- Coffee spots in poster halls as well as all four floors of the ACV
- Beer spots in poster halls and in the exhibitions (beer, non-alc beer, soft drinks)
- Science-and-Society events:
  - SCS1 Science, Politics and European (dis)integration: A conversation of Geoscientists with Ilaria Capua and Mario Monti
  - SCS2 Plastics in the Hydrosphere: An urgent problem requiring global action
- Public lecture by Insa Thiele-Eich, Meteorologist and astronaut in training, TH 19:00, Natural History Museum
- Networking & ECS Zone (red level)
- EGU went to meet the Vienna International School (Tuesday)

## GA2019 rules and guidelines

- No solicited presentations by conveners: “Authors (first and co-authors) cannot have a solicited presentation in a session they (co-)convene. (Co-)conveners cannot be presenting author, and are discouraged from being co-author, on oral presentations in a session they convene.”
- 1 abstract rule: “Authors are allowed as first author to submit either one regular abstract plus one abstract solicited by a convener, or two solicited abstracts. A second regular abstract can be submitted to the EOS programme group.”
- Number of conveners on a session: At session submission minimum 2 and maximum 5 conveners
- Number of convenerships as a guideline: A maximum of three (co-)convenerships total, with one as lead convener. Short Courses are exempted from the guideline on number of convenerships.
- Diversity: We strongly encourage convener teams to reflect (i) multiple countries and institutes and (ii) different career stages, and especially to include early career scientists, and (iii) gender diversity.

## Memorial for Lily Pereg

- Tuesday at the start of the SSS division meeting, 12:45, room G1
- Contributions by Alberto Montanari (incoming EGU president), John Quinton (Soil executive editor), Evgenia Blagodatskaya and colleagues (SSS division), Fuensanta Garcia Orenes (friend and colleague)
- Claudio Zaccone is acting PG chair for SSS and leads the division meeting

## Communications at the General Assembly

### EGU Today

- Daily newsletter highlighting scientific sessions, short courses and other activities at the Assembly
- New this year: digital only, available at [www.egu.eu/egutoday/](http://www.egu.eu/egutoday/) and through the GA app

### Blogs

- GeoLog, the EGU Blog Network & EGU Division Blogs will be sharing great sessions, research, interviews and more throughout the Assembly
- Follow them at [geolog.egu.eu](http://geolog.egu.eu) and [blogs.egu.eu](http://blogs.egu.eu)

### Social Media

- Sessions will be advertised on Twitter (@EuroGeosciences) and Facebook (European Geosciences Union)
- For behind the scenes access to the conference follow us on Instagram (@EuroGeosciences)
- Participants can ask questions & keep updated by following the meeting hashtag #EGU19

# EGU Topical Events

## EGU co-sponsored meetings

- Galileo Conferences
- Training Schools
  - Call for 2020 opens 1 June
- Conference Series
  - Ada Lovelace Workshops on Modelling Mantle and Lithosphere Dynamics
  - Alexander von Humboldt Conferences
  - Angioletta Coradini Conferences on Solar System and Planetary Processes
  - Emile Argand Conferences on Alpine Geological Studies
  - Leonardo Conferences on Earth's Hydrological Cycle
  - Mary Anning Conferences on Biogeochemical Processes in the Earth System
  - Plinius Conferences on Mediterranean Risks

## Mary Anning Conference

Scope: Biogeochemical Processes in the Earth System

When: to be held every two years

Call: for proposals opens 1 June 2019

Aim: to promote novel and innovative research related to biogeochemical cycles in the Earth system and bring together experienced and early career scientists for an interdisciplinary discussion.

## Training Schools

- 18 schools will be supported in 2019  
(out of 29 applications)
- Most of the TE's budget goes towards training schools (~70%)
- Several repeatedly funded
- Branding!

- Mentoring for new attendees at GA
- Commitment is only for GA (but can continue if mentor/mentee agree)
- 161 mentees matched with 104 mentors BUT 38 mentees not matched

**thanks!**

## Biogeosciences journal

Biogeosciences (BG)

[www.biogeosciences.net](http://www.biogeosciences.net)

Editors-in-Chief:

Michael Bahn, Katja Fennel, S.W.A.  
Naqvi, Anja Rammig  
& Tina Treude

Associate Editors: 69

Publisher: Copernicus GmbH  
on behalf of the  
European Geosciences  
Union (EGU).

## Aims & Scope

Biogeosciences (BG) is an international scientific journal dedicated to the publication and discussion of research articles, short communications, and review papers on all aspects of the interactions between the biological, chemical, and physical processes in terrestrial or extraterrestrial life with the geosphere, hydrosphere, and atmosphere.

The objective of the journal is to cut across the boundaries of established sciences and achieve an interdisciplinary view of these interactions. Experimental, conceptual, and modelling approaches are welcome.

## Open access & Open peer review

The review process, referee comments, open comments and authors answers are public, archived and citable as well.

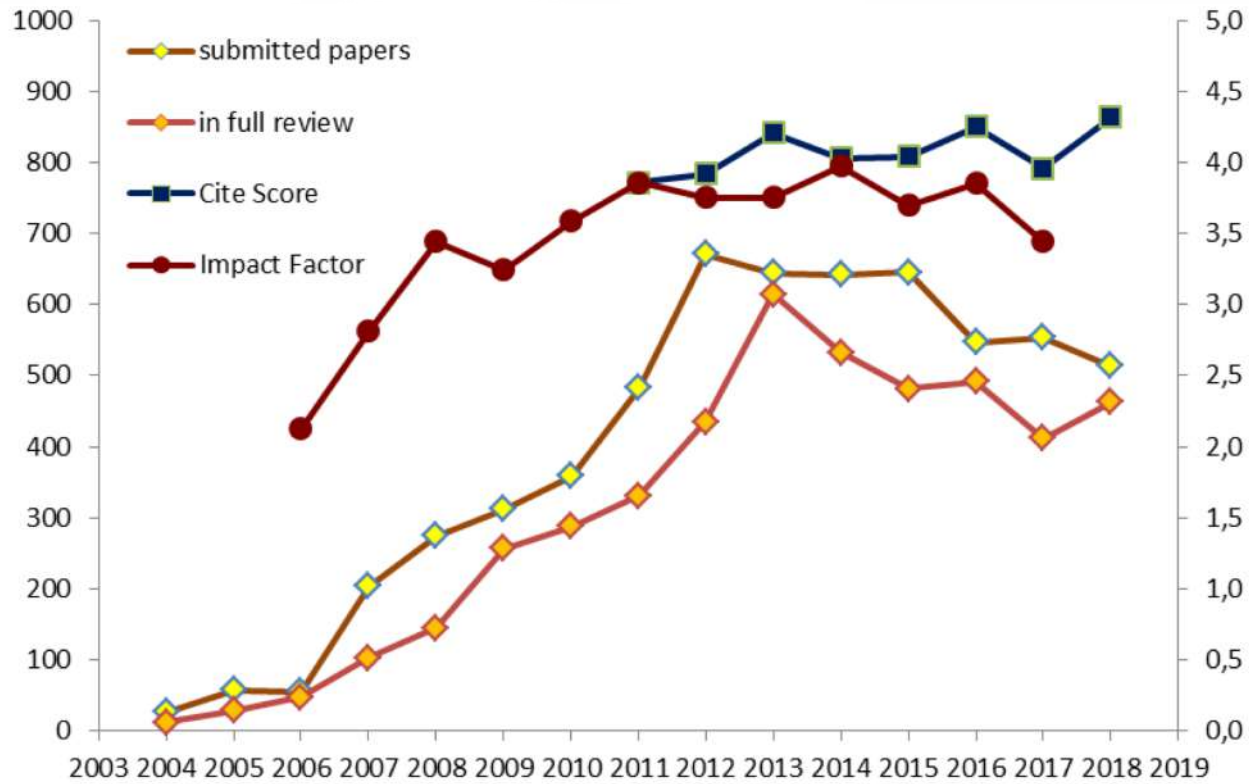

BGD manuscripts as well as BG papers are archived and fully citable - Ideas and rights of authors are fully protected from the beginning.

Coverage of costs by authors, as there is no other income for the publisher.

Copyright stays with the authors.

## Publication record and impact metric trends

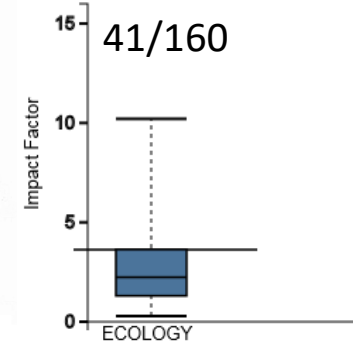

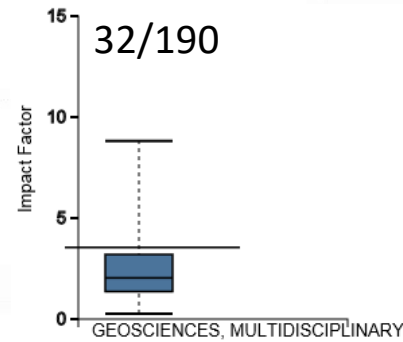

## Journal Rankings

## Nominations for the EGU Medals

- Quality of nominees and the diversity are essential to maintain the prestige EGU A&M.
- Nominations for all the medals and awards are to be submitted online by 15 June of each year (absolute deadline).
- Check the EGU website for further information:

<https://www.egu.eu/awards-medals/proposal-and-selection-of-candidates>

## Nominations for the EGU Medals

- Quality of nominees and the diversity are essential to maintain the prestige EGU A&M.
- Nominations for all the medals and awards are to be submitted online by 15 June of each year (absolute deadline).
- Check the EGU website for further information:

# Outstanding Student Poster and PICO Award

- » Responsibility of the conveners
  - Ideally, nominations should be finished one week before the conference
  - Eligibility criteria: PhD, no conflict of interest
  - Check your e-mails for instructions
  - Talk to me if you need help
  
- » OSPP judges
  - New this year: “OSPP: volunteer to judge” button
  - We try to make your assignment as simple as possible
  - Try to match your interests – judge a poster you wanted to look at anyway
  - It is not all about the award, you can help a student to have a great conference
  - If you cannot judge an assigned contribution, tell us as soon as possible
  - Students will receive evaluation forms without the names of the judges
  - Talk to the session convener or me if there is a problem
