Outstanding Early Career Scientist Award: Eva Pfannerstill

Vilhelm Bjerknes Medal: Jonathan Williams

### **7.2 OSPP Awards (2025)**

Andrina Caratsch

Claudia Schiavini

Donghee Lee

Felix Goddard

Sara M. Vallejo-Bernal

Yi Xiao

Yotam Menachem

Julia Kojoj

### 7.3 ACP Awards

Publication Award Winner: Anna Miller et al.

Outstanding Referees: Albert Ansmann, Alexei Khalizov, Claudia Mignani, Kieran Stanley  
Outstanding Editors: Franziska Aemisegger, Ivan Kourtchev, Yuan Wang

Division members were reminded to nominate deserving candidates for EGU awards.

### 7.4 EGU Fellowships

The new EGU fellowship programme was introduced with a call for diverse nominations once the details are released.

## 8. Key Messages

The division continues to demonstrate strong participation, community engagement, and commitment to inclusivity.

## 9. Closing and Invitation for Feedback

The Division President thanked all participants for their engagement and contributions. Members are warmly invited to provide feedback, suggestions, and ideas to help shape future activities of the Atmospheric Sciences Division. Feedback can be shared directly with the Division team or via the AS Division communication channels. Feedback received at the meeting includes:

GA organization:

- Consider offering presentation skills sessions ahead
- Improve the VPS format

Reducing EGU's carbon footprint

- Consider alternating virtual with in-person events
- Consider more support for low carbon travel
