EGU Natural Hazards Division Business Meeting 2011
2.0 NH DIVISION SCIENTIFIC OFFICERS

Period 2010/2011

Hydro-Meteorological Hazards:
Giorgio Boni

Volcanic Hazards:
Jo Gottsmann

Landslide Hazards:
David N. Petley

EGU Natural Hazards Division Business Meeting 2011
2.0 NH DIVISION SCIENTIFIC OFFICERS

Period 2010/2011

Earthquake Hazards:
Michael E. Contadakis

Sea & Ocean Hazards:
Stefano Tinti

Snow Avalanches & Glacial Hazards:
Mohamed Naaim

Wildfire Hazards:
Rosa Lasaponara

EGU Natural Hazards Division Business Meeting 2011
2.0 NH DIVISION SCIENTIFIC OFFICERS

Period 2010/2011

**Biological, Environmental
& Other Hazards:**
Jennifer Holden

**Natural Hazards
& Society:**
Oded Katz

Short-Course Coordinator:
Robin Crockett

EGU Natural Hazards Division Business Meeting 2011
2.0 NH DIVISION SCIENTIFIC OFFICERS (2010/11)

**OTHER tasks being done by NH
Scientific Officers (2010/11):**

Bruce Malamud: NH Programme Group Chair, ex-officio for NH Medal Committees, EGU2011 Programme Committee Chair, EGU Outreach Committee

Dave Petley: NH Vice President

Jo Gottsmann: YSOPP Coordinator for EGU2010

Stefano Tinti: Plinius Medal Committee Chair

Oded Katz: Plinius Medal Member [full list of members later]

Jennifer Holden: Outreach to young scientists; Official EGU GA blogmaster and social media coordinator

EGU Natural Hazards Division Business Meeting 2011
MINUTES FROM MEETING

Below minutes taken by Bruce D Malamud (BDM) and Stefano Tinti (ST) during the NH meeting

- (a) **NUMBERS PRESENT.** [JAH counted] 110-130 people present, depending on time during the meeting.
- (b) **AGENDA ACCEPTED.** BDM presented points 1 to 9 and 12, and ST presented 10 to 11.
- (c) **OFFICERS STEPPING DOWN** individually thanked.
- (d) **MEDAL COMMITTEES.** All proposed medal committee compositions were individually voted on, by person, and accepted with no discussion [1-2 people abstained, and in all cases, 100% of those people voting accepted the nominations]. Note that exception was agreed and voted on for Soloviev Committee such that a non-past medallist would serve on the committee as member.

EGU Natural Hazards Division Business Meeting 2011
MINUTES FROM MEETING

- (e) **PLINIUS MEDAL.** Proposal by BDM/ST to consider that the OYSA would be the NH Division 'young scientist' award, and we should consider moving the Plinius Medal to be a 'mid-career' medal. The mechanics would still need to be worked on (e.g., what defines 'mid-career'?), but the general premise of moving towards this was accepted in a vote, with 100% of those voting accepting. The specific guidelines would be presented (and voted on) in one year at the EGU GA 2012 NH business meeting. No changes for OYSA or Plinius would occur during 2011/12 cycle of awards.

EGU Natural Hazards Division Business Meeting 2011
MINUTES FROM MEETING

- (f) **SCIENTIFIC OFFICERS.** All proposed new scientific officers were individually voted on, by person, and accepted with no discussion [1-2 people abstained, and in all cases, 100% of those people voting accepted the nominations].

EGU Natural Hazards Division Business Meeting 2011
MINUTES FROM MEETING

- (g) **DISCUSSION: "Snow Avalanches & Glacial Hazards"** subdivision of the programme has had at most 1 session led by NH each year, ranging from 25-35 abstracts each year. Should we consider folding this sub-programme group (recognizing that the topic itself is of interest) into "Environmental and Other Hazards" sub-programme group? Discussion that we should encourage the scientific officer to actively work with CR and the community to bring in more sessions and re-evaluate next business meeting
